

## **PHOTOGRAPHY**

**The Photographer's role is to take photos of the cast at the direction of the Producer or Director for the current production.**

- **The photographer first takes numerous photos of the cast in order for the Director to select one to be used for the poster to advertise the show.**
- **The photographer will then take head shots of the cast, the Director, the Producer and the Stage Manager. Together with their individual bios will be sent to the PRMC team to be added into the program.**
